Attendees: Eddy Mogollon Pablo Mueller

Date: 05 Feb 2019

Start time: 11:30AM

End time: 11:45AM

Eddy Mogollon:

- What was done since the last scrum meeting?
 - Had Sprint Planning with the PO and other Stakeholders (all listed in corresponding document)
 - Added documentation to the MAC Team Space
 - Assigned user stories
- What is planned to be done until the next scrum meeting?
 - Review Card component, think of ways of expanding/collapsing the card and the styles and animations.
 - Start research on searching, and research the MDC website to see similar examples.
 - Start research on sorting by ascending/descending order. Research the MDC website to see similar examples.
 - Add more JIRA issues to the Feature Documentation
 - Read about accessibility on websites
- What are the hurdles?
 - We are missing certain information from the product owner. For example: the description of the website from the communications department.

Pablo Mueller:

- What was done since the last scrum meeting?
 - Had Sprint Planning with the PO and other Stakeholders (all listed in corresponding document)
 - Added documentation to the MAC Team Space
- What is planned to be done until the next scrum meeting?
 - Start giving shape to the card: create a backdrop, decide on text alignment, picture/thumbnail holder, card title, fields, etc.
 - Start doing research on responsiveness on websites
 - Add more User Story Documentation to the MAC Team Space
- What are the hurdles?
 - Adding accessibility to the website requires a lot of research, and it may change the scope of the website, and a lot of time will be spent on checking for accessibility.
