What went wrong?

- Did we do a good job estimating our team's velocity?
  - There were no user stories to be worked on, just documentation.
- Did we do a good job estimating the points (time required) for each user story?
  - No user stories.
- Did each team member work as scheduled?
  - Yes.

What went right?

- Our showcase was a total success. Special thanks to the MDC/ASD teams and Prof. Sadjadi.

How to address the issues in the next sprint?

- How to improve the process?
  - Graduate school. Make all our FIU professors proud.
- How to improve the product?
  - Make a lot of money, have a great life, give back to our community and also donate some back to FIU.
