

20180905 - Daily Scrum Meeting Minutes

Attendees: Adrian Rodriguez Carlos Vera Cristian Cepeda Julian Oscar Antonio Padilla

Start time: 6:00 pm

End time: 6:30 pm

Adrian Rodriguez :

- What was done since the last scrum meeting?
 - user story mapping
 - Got clarification on meetings with PO team
- What is planned to be done until the next scrum meeting?
 - Insert user story mappings to JIRA
- What are the hurdles?
 - No feedback on possible development plans

Carlos Vera :

- What was done since the last scrum meeting?
 - Read more documentation and articles on React and NodeJS
 - JS tutorial
- What is planned to be done until the next scrum meeting?
 - Create test React project for an idea sandbox
 - Look into articles Jenkins for possible CLI integration for project
- What are the hurdles?
 - Need more info from MDC for project solution ideas

Cristian Cepeda :

- What was done since the last scrum meeting?
 - Help add items to the user story map
- What is planned to be done until the next scrum meeting?
 - Practice React on a side project to get more knowledge in React as practice.
 - Better improve myself incase we end up using it for the project
 - Added things to the descriptions of some of the Issues on Jira.
 - Read about TDD for react apps.
- What are the hurdles?
 - My Blockers will be the same as you guys until we get more information.

Julian :

- What was done since the last scrum meeting?
 - Met with team to analyze and plan out user story mapping
 - Discussed probable scheduling as to daily scrums, sprint plannings, reviews and sprint retroactives
- What is planned to be done until the next scrum meeting?
 - Looked more into the flow chart process gathered from the PO meeting last week for further understanding
 - Looked into React development as it is a possible development environment the team is interested in utilizing
- What are the hurdles?
 - Still no concrete goal as to what the development will entail

Oscar Antonio Padilla :

- What was done since the last scrum meeting?
 - Set daily scrums, sprint planning, checkpoint, review, and retroactive meeting times, and emailed to professor
 - Layed out User Story map and got picture with team
- What is planned to be done until the next scrum meeting?
 - Insert Scrum meetings into Calendar
 - Help insert user story mappings to JIRA (feel free to add details to them)
- What are the hurdles?
 - Have to wait until Friday's Arlene meeting for solid grounding of our User Stories
