Title: 20181107 - Daily Scrum Meeting Minutes

Attendees: Adrian Rodriguez Carlos Vera Cristian Cepeda Julian Oscar Antonio Padilla

Start time: 6:00 pm

End time: 6:30 pm

Adrian Rodriguez :

- What was done since the last scrum meeting?
 - Discuss plans for Friday demo with team
- What is planned to be done until the next scrum meeting?
 - Auth route design
- What are the hurdles?
 - None

Carlos Vera :

- What was done since the last scrum meeting?
 - Discuss plans for Friday demo
 - Read about react-table API
- What is planned to be done until the next scrum meeting?
 - Implement react-table component to show results of search queries
- What are the hurdles?
 - None

Cristian Cepeda :

- What was done since the last scrum meeting?
 - Decided that when user logs in the token should be saved into local storage so that it can render the home page instead of the login page. As long as the user is still sign on and hasn't signed out.
 - Saving token to local storage fixed yesterday's problem
- What is planned to be done until the next scrum meeting?
 - Decided to change from local storage to session storage so that when user closes the website tab they are signed out.
- What are the hurdles?
 - None

Julian :

- What was done since the last scrum meeting?
 - Kept working mainly on results page front-end so that a showcase can be made displaying search functionality
 - Started looking into inserting a map to get all the elements of the matter array and display it
- What is planned to be done until the next scrum meeting?
 - Implement a mapping logic to display all columns needed in a search for a specific matter
 - Results page was updated to display the required matter columns as well as the matter name for now
- What are the hurdles?
 - None

Oscar Antonio Padilla :

- What was done since the last scrum meeting?
 - Finish "Creating an item - submitting the field - backend"
- What is planned to be done until the next scrum meeting?
 - Begin view item controller functions, including history
- What are the hurdles?
 - None
