

20181108 - Daily Scrum Meeting Minutes

Title: 20181108 - Daily Scrum Meeting Minutes

Attendees: [Adrian Rodriguez](#) [Carlos Vera](#) [Cristian Cepeda](#) [Julian Oscar Antonio Padilla](#)

Start time: 6:00 pm

End time: 6:30 pm

[Adrian Rodriguez](#) :

- What was done since the last scrum meeting?
 - Design of the auth route interactions
- What is planned to be done until the next scrum meeting?
 - Start the rendering of item pages
- What are the hurdles?
 - None

[Carlos Vera](#) :

- What was done since the last scrum meeting?
 - Completed basic search functionality on client-side.
 - Used and read about react-table API
- What is planned to be done until the next scrum meeting?
 - Start another search functionality story. Possibly generalize the results so that we can configure which columns to show/hide
- What are the hurdles?
 - None

[Cristian Cepeda](#) :

- What was done since the last scrum meeting?
 - Decided to change from local storage to session storage so that when user closes the website tab they are signed out.
- What is planned to be done until the next scrum meeting?
 - Made user id save into session storage so profile can render based on the user that signed on
- What are the hurdles?
 - None

[Julian](#) :

- What was done since the last scrum meeting?
 - Started mapping all necessary array elements of the matter table to be displayed in the results page.
 - Kept making styling changes so that by Friday we can showcase the results page effectively.
- What is planned to be done until the next scrum meeting?
 - Finish up mapping to display all necessary matter results when doing a search.
 - Keep styling the results page so that the format matches with the rest of the application.
- What are the hurdles?
 - None

[Oscar Antonio Padilla](#) :

- What was done since the last scrum meeting?
 - Begin view item controller functions, including history
- What is planned to be done until the next scrum meeting?
 - Finish view item controller functions, including history
 - Define DB attribute domains
- What are the hurdles?
 - None
