Description

As a User I would like to clear the whole canvas **so that** I can have a white canvas to work with when the group meeting no longer needs the current shared canvas notes.

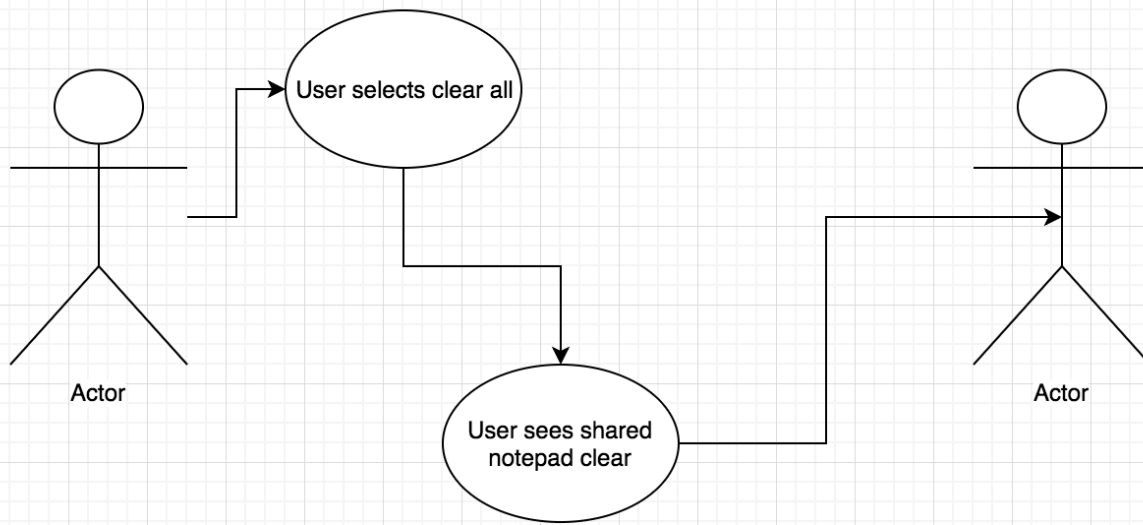

Acceptance Criteria:

- User can click on clear button and entire canvas will clear.
- When any meeting user clears the canvas all other users will have a clear shared canvas as well.

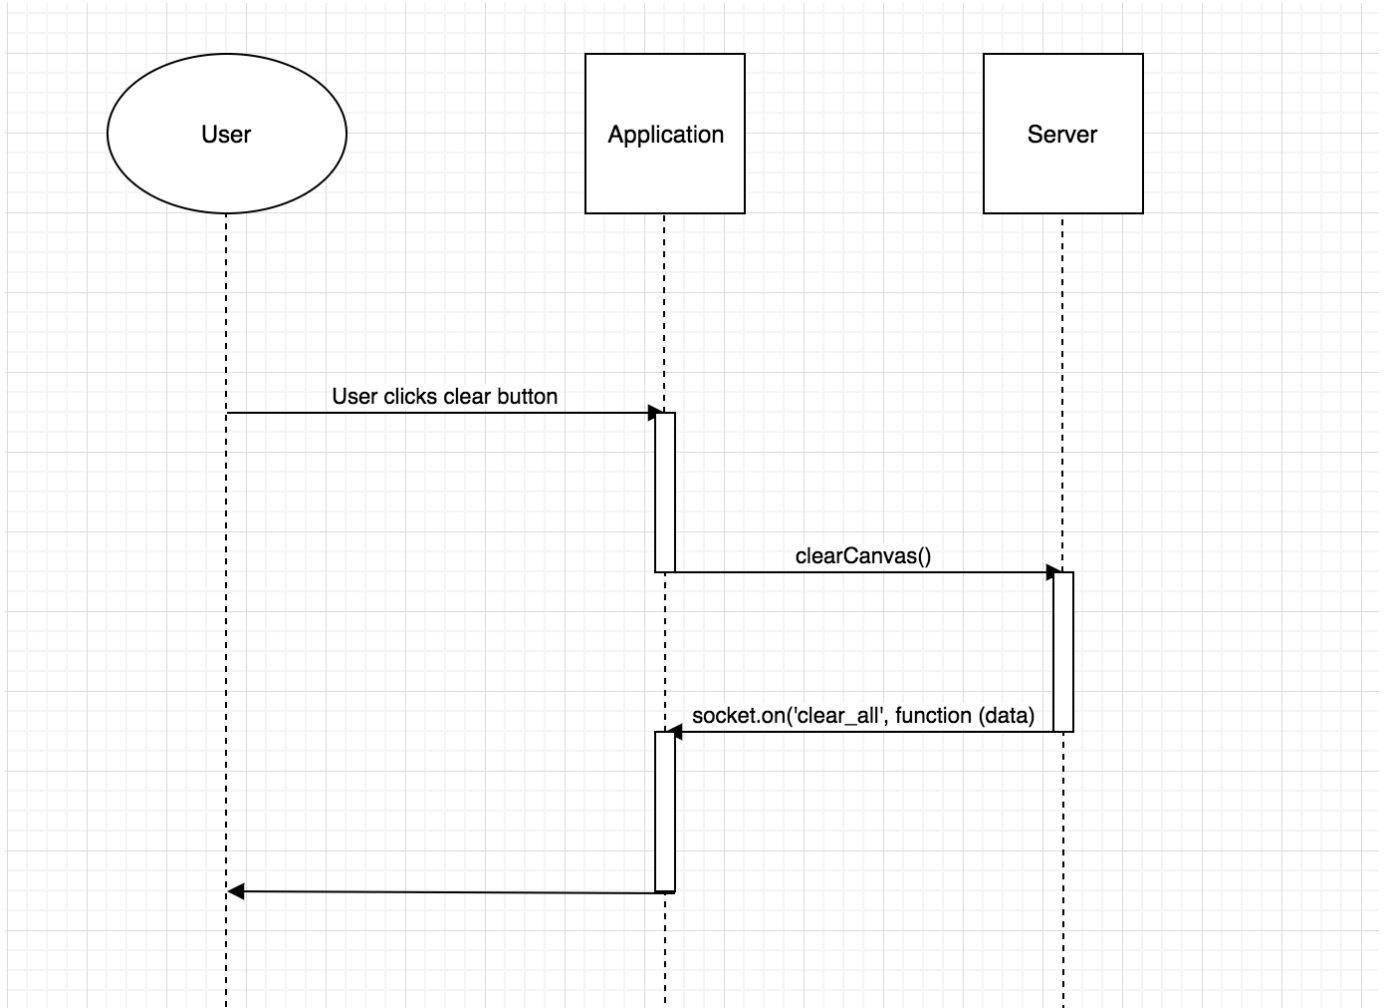

Use Case

- Name: User can clear all on multi canvas notes
- Actor: Multiple Users
- Preconditions: Multiple users is on the share notepad
- Description <Flow of events>:
 - User selects the clear all button
 - All user see the shared canvas clear
