

Stand Up 10/10/2018

20181010 - Daily Scrum Meeting Minutes

Attendees: Nicolas Gonzalez, Emmanuel Perez

Start time: 7:47 pm

End time: 8:00 pm

@ Nicolas Gonzalez:

- What was done since the last scrum meeting?
 - I think solved our compilation errors but I am not certain if its the best approach. I am disabling the warnings I am getting with '#pragma warning(disable: 4668 4191)'. Compiles and runs the game fine after.
- What is planned to be done until the next scrum meeting?
 - Need to do some research / ask Miguel if this is an acceptable solution to the problem
- What are the hurdles?
 - Hopefully i just passed them

@Emmanuel Perez:

- What was done since the last scrum meeting?
 - Not much, had to work on my other class's project
- What is planned to be done until the next scrum meeting?
 - Attempt to fix the errors the rpc lib is still creating to start working on the server
- What are the hurdles?
 - Having time to work on the project more and getting the rpc lib working.
