

Stand Up 10/3/2018

20181003 - Daily Scrum Meeting Minutes

Attendees: Nicolas Gonzalez, Emmanuel Perez

Start time: 7:30 pm

End time: 7:45 pm

@Nicolas Gonzalez:

- What was done since the last scrum meeting?
 - I've re-added the rpclib and rebuilt the project, this was an attempt to fix some of the errors I have been having when trying to compile the project.
- What is planned to be done until the next scrum meeting?
 - the problem with building/ compiling the project with the rpc library needs to be solved to really move
- What are the hurdles?
 - I'm still experiencing the same error while compiling where certain project files cannot be found

@Emmanuel Perez:

- What was done since the last scrum meeting?
 - Checked the builds to find where they are failing with the rpg library, but not much progress.
- What is planned to be done until the next scrum meeting?
 - Getting the project to compile properly and run without errors.
- What are the hurdles?
 - Having time to work on the project more.
