20181004 - Daily Scrum Meeting Minutes

Attendees: Nicolas Gonzalez, Emmanuel Perez

Start time: 8:15

End time: 8:45

@Nicolas Gonzalez:

- What was done since the last scrum meeting?
 - Noticed that the rpclib was not being compiled in 64bit even with x64 cmd. Fixed this was able to compile in release x64. I had to tell to set a flag to compile to 64 bit
- What is planned to be done until the next scrum meeting?
 - Still dealing with errors altered to the unreal macros
- What are the hurdles?
 - I'm still experiencing the same error while compiling where certain project files cannot be found

@Emmanuel Perez:

- What was done since the last scrum meeting?
 - Not much, busy working on my other classes.
- What is planned to be done until the next scrum meeting?
 - Getting the project to compile properly and run without errors.
- What are the hurdles?
 - Having time to work on the project more.
