 - We were able to test an add test and throttle
- What is planned to be done until the next scrum meeting?
 - starting binding functions to the rpc server, throttle PR, Steering brake etc
- What are the hurdles?
 - none

@Emmanuel Perez:

- What was done since the last scrum meeting?
 - Sprint review
 - Learned the problem I was getting for cloning the project, had to do with how I implemented the rpc lib and what was not been cloned that would not let me compile.
- What is planned to be done until the next scrum meeting?
 - Get the project compiling for me and start working on any of the fist rpc commands.
- What are the hurdles?
 - Getting the project compiling on my end
