ARREST WARRANT

On 8/23/2017 at approximately 3:00 PM, Ms. Callava began an argument with the staff at Johnny Rockets, located at 1455 NW 107th Avenue, because of a long line to order. Ms. Callava began making derogatory comments towards people of a Hispanic heritage. Once she was denied service and being offered her money back, Ms. Callava grabbed 2 plastic water bottles and threw them toward the manager (victim) striking her in the back. As the victim turned around, she was struck a third time in the face with a glass Arizona tea bottle thrown by Ms. Callava. An unknown female grabbed Ms. Callava and both fled the scene. Ms. Callava drives a white 2016 Ford 4-dr bearing FL tag DNX-Q38 and she frequents the Doral area in the evening hours as alerted by our LPR system. On 4/16/2018, an arrest warrant was signed and entered into FCIC/NCIC.
