MEMORANDUM
Department of Police

DATE: August 20th, 2018
TO: All Pinecrest Police Personnel
FROM: Pinecrest Police Training Bureau
RE: Biohazard Magnets

The Evidence / Property Room at the Pinecrest Police station has been outfitted with Biohazard Magnets. These magnets are to be used as an identifier for any locker containing biohazardous evidence and / or property when it is impounded. The purpose of these identifiers is for the safety of the handler of the evidence and / or property. Magnets will be placed on the corresponding locker in which the biohazardous evidence and / or property is impounded in.

The magnets are currently located on the side of the lockers near the bottom right corner of Locker No. 1.
