

Online Mandatory Training: **THIS IS A TEST**

Discriminatory Profiling & Professional Traffic Stops

The Florida Department of Law Enforcement has developed a course that can be taken via this website. The course is entitled “Discriminatory Profiling and Professional Traffic Stops.” The completion of this course will satisfy the mandatory retraining requirements for Rule 11B-27.00212 (b) Human Diversity Training and (d) Discriminatory Profiling and Traffic Stops.

Certified officers may be awarded two hours of training that can be applied toward the 40-hour mandatory retraining requirement.

Important message: You must print the quiz results page upon completion of this training course. Please ensure you are connected to a printer prior to beginning the online training course, as we are unable to track or store your information.

Once you have completed this online course, print, sign, and date the quiz results page. You can then turn your quiz results page in to Major Bowman via your supervisor for entry into the Automated Training Management System (ATMS) and a certificate can be provided to you by that designee.

Questions and concerns may be directed to the Major Bowman.
