MEMORANDUM
Department of Police

Date: April 30, 2018

To: All Sworn Police Personnel

From: Ivan Osore, Operations Lieutenant

Ref: Training Announcement – School Resource Officer (SRO)

I am pleased to announce that our Department is looking to send a highly-motivated officer to attend a Basic School Resource Officer Course. The ideal candidate should be passionate about law enforcement, education, and counseling.

The 40-hour course will expose you to the growing demands of working in an educational setting and also prepare you to become a positive role model for our youth.

If promoting school safety and deterring juvenile delinquency sound like a worthy challenge to you, then I encourage you to apply. Successful completion of this course will be a minimum requirement for future SRO selection. If interested, please submit a memorandum by May 14, 2018 to the Chief of Police via your chain of command.
