Apr 23, 2018 10:41 am Ivan Osorez:
 I want to thank you for bringing this issue to our attention. I assure you I'll do my best to address your concerns.

	Traffic directed patrols are frequently conducted throughout SW 57 AV. We will continue to have our officers stop speeding vehicles in that area.
Apr 23, 2018 11:32am	Janet McMichael: Ok thanks. I think the cars passing other cars driving southbound is the real concern. As they try to pass, I worry about cars driving northbound understandably surprised by someone coming at them! Then the northbound car could swerve onto the Red Road path. Mainly happening from 107th south to 111th. Saw it once on Saturday and again on Sunday so not just homebound rush hours.
Apr 25, 2018 7:40am	Janet McMichael: Just saw happen again. A daily occurrence. This time at 7:40 am! Passing other car the second out of school zone. Every day issue now and have not seen police once.
Apr 25, 2018 8:54am	Ivan Osorez: Is this area marked with the no-passing (double yellow center line) marking?
Apr 25, 2018 1:18pm	Janet McMichael: No it's a dashed yellow line. So passing of another car is ok if one keeps to the speed limit I would believe. These people are not keeping to the posted speed limit.
Apr 25, 2018 2:07pm	Ivan Osorez: We will continue to conduct traffic related patrols in the area and stopping speeding vehicles. Thank you once again for your input.
