CURRENTLY ASSIGNED TO - Merlin Baglin in Police Department

DESCRIPTION - One Lane Traffic Restrictions by Unknown Company. For the past two days, an unknown company has been doing work around the bridge on 124th Street and 71st Avenue. It isn't clear what kind of work they are doing but they have been restricting traffic down to one lane and using signal men. Can someone find out what is going on and whether the one lane restriction is valid?

Derrick Bowman:

Pinecrest Police made contact with the company in question and found that the company (Metro Express) was hired by the Village of Pinecrest Public Works Department to seal the bridge gaps on the roadway at that location. They are properly permitted and authorized to do the work via Miami Dade County.
