CURRENTLY ASSIGNED TO - Merlin Baglin in Police Department

DESCRIPTION - About 30 minutes ago I was driving home, travelling east on 104th Street and going the 35 MPH speed limit. As I approached 72nd Avenue and white Mercedes SUV passed me going at least 60 MPH in the west bound lane, cut me off and shot off into the distance. Unfortunately, this is not an isolated incident. Truth is nearly everyone speeds down 104th Street, often at speeds which belong on the autobahn not a residential street in what should be a quiet neighborhood. This is because EVERYONE KNOWS THAT THE PINECREST POLICE DEPARTMENT DOES NOT ENFORCE THE TRAFFIC LAWS, ESPECIALLY THE SPEED LIMITS, IN THE VILLAGE.

We have brought this to the attention of the department and our representatives, but all we get are excuses. The legislature forbids quotas. SO WHAT? Does this mean that our police are not permitted to enforce the law? Or We plan to do a study. I'll make it easy for you. PEOPLE ARE SPEEDING AND SOMEONE IS GOING TO GET HURT OR KILLED.

If you set up a couple of officers in Coral Pine park with radar guns every few days for several hours a day and wrote a few tickets I am certain word would get out and people would stop endangering the lives and safety of village residents with their reckless speeding
