

Water Restrictions

- Watering is not allowed between 10 a.m. and 4 p.m.
- Hand watering using a hose with an automatic shut-off nozzle is allowed anytime to maintain a healthy landscape.
- Restrictions apply to all users of any water resource within Miami-Dade County, whether from publicly or privately owned water utility sewer systems, private wells or private connections to surface water bodies.

Residents and businesses with odd-numbered address

(house number ending in 1, 3, 5, 7, 9):

- Lawn watering is permitted on WEDNESDAYS and SATURDAYS from 4 p.m. to 10 a.m.

Residents and businesses with even-numbered address

(house number ending in 0, 2, 4, 6, 8*), **no street address**, or who water **both even and odd addresses** within the same zones, including multi-family units and Homeowner Associations:

- Lawn watering is permitted on THURSDAYS and SUNDAYS from 4 p.m. to 10 a.m.

Residents should **choose from one of two** "watering windows" (before 10 a.m. or after 4 p.m.) on their designated irrigation days. For the **most efficient** use of water, residents should avoid irrigating during both time periods on the same day.

To report a water restriction violation, call 311 or email 311@miamidade.gov.

Some exceptions

Restrictions don't apply for car and boat washing, pressure cleaning of paved surfaces, decorative fountains and water-based recreation (e.g. swimming pools, water slides).

Users of 100 percent reclaimed water are exempt from restrictions, but encouraged to conserve water.

Low-volume irrigation, including the use of drop and micro jet systems that apply water directly to plant root zones, is not restricted but is encouraged to be reduced.

Newly-planted gardens and landscaping

New landscaping can be watered during the corresponding hours listed above every day, **except Fridays**, for the first 90 days it is installed. Save the receipt with the date of purchase. When unable to water during specific hours, call 3-1-1 to apply for a variance
